You may have seen the story on life members Kate and Rob Cassir and also a feature on former championship player Josh Garlepp and his Kick it Forward podcast and media company. If not head to our website.

We are excited to announce the return of a star Hawk to the nest with the signing of Megan McKay. Megan was a member of the Bendigo Braves NBL1 National Championship winning Team in 2023 in a season where she also won the Grand Final MVP, made the all-star 5 and won the MVP for NBL1 South League. We can't wait to see her back on court in blue!

As we head into week 6 of WABL this weekend, we would like to commend you all on your behaviour on and off the court. Well Done! Dont be complacent keep up the good work - BWA have made some changes to the E-Point System for 2025 -see below brief and for full details head to WABL Website

We also want to remind you all of the Training Uniforms -Hawks reversibles and Hawks black or blue shorts are compulsory. Warm Up Shirts should be worn to games. We want to Thank all our WABL Team Partners on your support of our junior athletes. It's much appreciated.

E-Points – WABL 2025 – For a full overview head to WABL website under Documents.

Basketball WA is committed to creating a fun, safe, and respectful environment for all involved. To promote positive behaviour and uphold these values, many sports have adopted an Environment Points (E-Points) System. Following a successful introduction in 2024, E-Points will again be implemented in the Western Australian Basketball League (WABL) for the 2025 season.

What is the E-Points System?

E-Points are points that contribute to WABL ladder standings in the same way premiership points do. For a game where no breaches of the system occur, each team is automatically awarded 2 E-points in addition to any premiership points they've earned:

- Win: 2 premiership points + 2 E-Points (4 points total)
- Loss: 0 premiership points + 2 E-Points (2 points total)

In games where a breach, or breaches of the system occur, a team can lose one or both of their Epoints.

What Breaches Can Lead to the Loss of E-Points?

You can find a list of breaches on the WABL Website under Documents. In the E-point overview document.

Is There a Penalty for Accumulating Too Many E-Point Deductions?

A new measure to build on the success of 2024 has been introduced for 2025. ***Teams that accumulate 3 or more E-Point deductions during the season will be deemed ineligible for finals.***

Our U14 Championship girls qualified for the Australian U14 Club Nationals which is being held at Willetton Stadium later in the year. They will have a few events that we ask our Hawks Community to get behind them with their fundraising. A couple to mention at the moment are:

- Bunnings Sausage Sizzle at Innaloo this Public Holiday Monday, pop past and grab a snag in a bun!
- They are collecting donations of old shoes/jersey etc to clean up and sell at their Bendat Blitz in July. If you have anything you would like to donate you can drop into the box at BBC front reception.
